DISCLAIMER AND SIGNATURE

I certify that the enclosed application for research funding from Immunodeficiency Canada represents a study of which I am the Principal Investigator and that I am responsible for the development of the proposal. If funded I will act as the Principal Investigator and will assume responsibility for the implementation and performance of the proposed study.

All information I have presented is true and this project is not funded by any other organization. If this application leads to funding, I understand that false or misleading information in my application may result in loss of funding.

I am aware that if I receive funding, I am responsible to acknowledge this support by using the full name of the award in any publication or presentation made during or resulting from the tenure of the award. Immunodeficiency Canada shall similarly be informed of any submission of papers for publication which result from the term of this award.

I understand that as the recipient of this grant I am required to present my research at an Immunodeficiency Canada sponsored event.

I agree to all of the above terms by signing this application.

Note: Digital signatures are accepted for emailed applications, given that they are sent from the applicants personal email address and the email is also digitally signed.
